DETAILED ACTION

Response to Amendment

This Office action has been issued in response to amendment filed 12 July 2004 and Formal Drawing submission filed 10 August 2004. Claims 10-33 and 36-37 are canceled. Claims 1-9 and 34-35 are pending. Applicants' arguments have been carefully and respectfully considered in light of the instant amendment, and they are persuasive. Formal Drawings have been approved by examiner.

Allowable Subject Matter

Claims 1-9 and 34-35, now renumbered 1-11, respectively, are allowed.

As the record of prosecution is clear in this case, examiner finds it redundant to repeat reasons for allowance, as previous examiner clearly indicated allowability as soon as possible in the prosecution history.
